

## Nothing To Lose

I told you that I'm finde too  
Cause I got time to waste  
Time without paste  
I told you that I'd love to  
Spend my time without haste  
I wanna taste good life

Reaching things that money can't buy  
Happiness and love without a lie

Huuu - no money no shoes  
Huuu - no work no clues  
But who should care  
No dunnage to bare  
There's nothing to lose  
If only life you did choose

Give a little love  
Give a little bit of  
Hopes and dreams  
Although it seems like such a waste of time  
There's no use to be so blind  
Give a little love  
Give a little bit of  
Hopes and dreams  
Although it seems like such a waste of time  
There's no use to be so blind

I told you that I'm finde too  
Cause I got time to waste  
Time without paste  
I told you that I'd love to  
Spend my time without haste  
I wanna taste good life

Reaching things that money can't buy  
Happiness and love without a lie

Huuu - no money no shoes  
Huuu - no work no clues
