

## Wise Man's Lullaby

Wise man said  
You're too young to understand  
Who you're gonna be  
Whom you're gonna love  
And a wise man said  
He's too old to achieve  
What you're supposed to be  
What you can reach  
But you'll find him

Inside of me  
That's where I'll be  
Down on my knees  
Hopelessly  
If I can't find the keys  
I won't be free

Days go by without dreaming  
Without feeling who I'm gonna be  
Whom I'm gonna meet  
But you'll find them

Inside of me  
That's where I'll be  
Down on my knees  
Hopelessly  
If I can't find the keys  
I won't be free

La la lalalala  
La lalalala  
Goodbye wise man  
La la lalalala  
La lalalala  
You'll find me

Goodbye wise man  
La la lalalala
